

## LOCAL MATTERS

The district fair, except light showers in the morning, southeasterly winds, a slight rise in temperature.

**THE LATEST.**—Advices received to-day at the state democratic headquarters from the chairman of the national committee show the greatest confidence that New York, New Jersey, Connecticut and Indiana are likely to vote for the democracy, but that the probabilities in each State will be handled by the committee here is informed that the managers will stimulate confidence by sending out telegrams this evening to all quarters that they are confident of success in the doubtful States, and for the afternoon papers to-morrow that they are confident of success. Let no one be deceived by the late clamor.

**THE ELECTION.**—The election for President, Vice-President, and members of Congress will be held to-morrow, but little has been talked of to-day. The question of holding a State convention will also be determined to-morrow, but this seems to be the thought of the majority of voters. It is not to be held unless a majority of those voting on the matter will decide it. The polls will be held at the usual voting places in the city. The polls will be held at 6:32 a. m., and closed at 10 p. m. One ballot box will be used in each ward. The managers of the convention have made all their arrangements for bringing out a full vote. It is estimated that a strict watch will be kept at the polls and every man against whom there is any suspicion will have his right to vote challenged by one party or the other.

**ALEXANDRIA WATER COMPANY.**—The managers of the Alexandria Water Company held a meeting this morning at which the reports of the President, Secretary and Treasurer were received. The reports showed the water mains in the city have been increased in size and extended. It is estimated that many new fire plugs have been put in. The water is being pumped out of the city. The water is being pumped out of the city. The water is being pumped out of the city.

**THIS IN THE CITY.**—It was given out on Sunday that one of the most prominent physicians in the city (we are not permitted to name names, though vouching for the facts) was reported to be from one to five hundred dollars that Mr. Agnew would carry. Thereupon an influential demagogue got together a hundred dollars, and he had more, and he had him to aid in taking up the bet. The demagogue said it was a mistake, that he must have bet two to one. The demagogue said he was betting that way, but finally bet he made, even on the third ward, and he would not carry the city by more than a hundred majority. Which means the republicans, though growing high, growing low. "Brag is a good dog, but brag is a better."

**THE COURT.**—Judge D. M. Chichester presiding. A certificate of citizenship was granted to Joseph Bulmer.

Mr. T. Birch was appointed road supervisor for Arlington district and gave bond. He made an order directing the sheriff of the county to collect all State and county taxes and property in the hands of agents or the Arlington estate, and turn same in to court.

**COMMITTEE.** Messrs. F. L. Smith, J. E. Green and H. H. Young, were appointed to examine the seating, etc., of Alexandria City Court room. All accounts presented were duly examined.

Treasurer W. C. Wibert submitted his annual delinquent tax lists for year 1888. Court adjourned till Court in course.

**DEMOCRATIC MEETINGS.**—The democrats of the city held their last meeting of the season at the Opera House to-night. The meeting will be under the auspices of the Alexandria Club and the city democratic committee and will be addressed by Hon. John C. Calhoun, of Norfolk, and Hon. J. L. Robertson, of Tennessee. A large crowd attended.

Messrs. S. G. Brent, of this city, and Jos. H. of Fairfax, addressed a meeting of the democrats at Burke's Station on Saturday night.

Mr. L. S. David, of Baltimore, on Saturday night addressed a meeting of the democratic Working Club of this city.

Friday was a bright, warm, delightful day and was generally enjoyed. The streets all had full congregations at both morning and evening services, and many more were on the streets. The ceremonies were presided by large numbers of persons in the city, and many others enjoyed a walk in the surrounding country. The political question was of course the absorbing topic of conversation, and at many of the street corners knots of men could be seen engaged in its discussion. Many strangers were in the city during the day, but all were friendly. The police made several arrests, and but few breaches of the peace occurred.

**PERSONAL.**—Mrs. A. M. Lee, mother of the late George Lee, has returned to her home in Richmond, after spending several weeks with her relatives, near this city and in Washington.

Mr. George Wendling, the celebrated Illinois orator and lecturer, has brought his tour to this city to remain during the winter. He has been engaged to deliver five lectures in England in the spring.

Mr. C. A. Baldwin, of Richmond, is visiting his mother, Mrs. W. N. McVeigh and family.

**NOT PASS.**—A gentleman who was out for a walk about 11 o'clock on Saturday night was stopped by a man who came from the alley on the east side of the street, between King and Cameron. The gentleman put his hand in his pocket for his watch, the only weapon of defence he had, when the man, evidently fearing he would be shot, ran off. The gentleman then proceeded on his way unmolested.

**THE COLORED VOTE TO BE SOLD.**—After the services in some of the colored churches to-night meetings were held at which the members of the congregations were urged by the preachers to go to the polls on to-morrow and vote solidly for the republican ticket. They were warned that if they did not do as instructed to remain away from church hereafter.

**TO MAKE MISERABLE.**—By Indigestion, flatulency, Dizziness, Loss of Appetite, yellow skin. Shiloh's Vitalizer is a positive cure. Sold by E. S. Leadbeater & Bro.

**POLICE REPORT.**—Last night was clear and mild with twelve prisoners and two lodgers at the station house.

The Mayor this morning disposed of the following cases:

Sam Napper, John Boden, Celia Chapman, colored, Geo. Morrison, Jas. Thompson and Ben. Henderson, and a young white man, charged with disorderly conduct, were fined \$1.50 each.

A young man, charged with assault and H. M. Bailey, for being drunk, were discharged.

Henry Pass, Harry Simpson and John Boden, charged with disorderly conduct, were fined \$3, \$3 and \$1.50 respectively.

Lewis Skelton and Richard Reynolds, colored, charged with an assault on Capt. Shirley King, were fined, the first \$5 and the latter \$1.50, and Jas. Chase, arrested on the same charge, was dismissed.

**DEATH OF HORACE S. JOHNSTON.**—Horace S. Johnston, a well known citizen of the county, died at his residence in Washington Saturday evening after a long illness of cancer of the stomach. He had been engaged in the saddle and harness business for years and amassed considerable wealth. He leaves a wife and eight children, all grown except two. Mr. Johnston had many friends and relatives living in this city.

**TO DEMOCRATS.**—The managers of the democratic campaign of this city request all democrats who wish to aid in the success of their ticket to-morrow to meet at the joint headquarters of the city democratic committee and the Hendricks Club to-night at 7 o'clock. There is work for all, and a full attendance is requested.

**COLORED DEMOCRATS.**—At a meeting of the colored democratic club, held on Saturday night, the following canvassers were appointed: 1st ward, C. W. Brown; 2nd ward, Henry Johnson; 3rd ward, H. E. Wilson; 4th ward, Isaac Norris and Edward Lennie; 5th ward, J. P. Montgomery and Frank Whiting.

**LOCAL BREVITIES.** A marriage license was issued in Washington on Saturday to Alfred Timmo, of that city, and Mary Walker, of this city.

It was reported to-day that some of the republican managers would to-morrow attempt to keep democrats from the polls by making arrests on various charges. The democrats will have men at each of the polls to look after such cases and see that all of their voters are protected.

The little son of Mr. D. M. Lee, of Stafford, who was recently run over by a vehicle and had his leg injured, is seriously ill and is not expected to live, erysipelas having attacked the injured limb.

The alarm of fire about 1 o'clock to-day was caused by the burning of a chimney of a house on Cameron street, between Royal and Pitt. The entire fire department turned out.

**MAYOR'S OFFICE.** Alexandria, Nov. 5, 1888. Tuesday, November 6, being election day, all bar rooms and other places for the sale of intoxicating liquors shall be closed from sunset on Monday, November 5, until sunrise Wednesday, Nov. 7th, and during that time the sale or distribution of all intoxicating liquors is prohibited. The law further says it shall be unlawful for any person, licensed or unlicensed, to sell by wholesale or retail or give away wine, ardent spirits, malt liquors, cider or any mixture of any of them on election day.
